

GUIDE TO DANGEROUS, PROHIBITED OR RESTRICTED ITEMS

"What items can I carry in my luggage?"

"Is my power bank allowed in checked luggage?"

"Is the transport of hoverboards permitted?"

This Guide will try to give an answer to this and many other questions, proposing itself as a practical information tool on the transport of dangerous, forbidden or restricted items on our aircraft.

You can download this Guide on your mobile devices and use it for every future trip on our flights.

It is useful to remember the purely informative purpose of the Guide which does not intend to replace the sector legislation and the provisions of other carriers.

You can find more information on our website www.neosair.it

Enjoy your flight

MEDICINAL AND TOILETRY		Hold Baggage	Hand Baggage
	Curling irons (cordless) Cordless curling iron, butane fueled curling irons	✓ Max. 1 per person on a protective pouch	✓ Max. 1 per person on a protective pouch
